

## Trampoline Classes Program Information

<b>School holidays and Public Holidays</b>	<p><b>Classes operate year-round. We DO NOT stop during school holidays.</b></p> <p>There are no classes on any Public Holidays. We are closed over the Easter weekend. You will not be charged for any public holidays that fall on the day of your child's lesson.</p> <p>Classes for 2024 conclude on Sunday 15 December 2024.</p>
<b>What to wear</b>	<p>Girls are encouraged to wear a leotard (any colour or style, just so long as it does not have a skirt attached). Leotards can be worn with bike shorts or leggings or on their own. Alternatively, bike shorts, leggings, singlets or a t-shirt can be worn. Boys should wear stretchy shorts with a close-fitting t-shirt or singlet. Nothing with zips, buckles, skirts, buttons, or hoods can be worn. A clean pair of socks is required. Please remove shoes.</p> <p>Long hair should be tied up and jewellery must be removed or taped over.</p> <p>Shoes, socks, and street clothes should be left in the cubbies in the waiting area.</p>
<b>Parking</b>	<p>Parking can be congested at peak times. Please give yourself adequate time to park prior to class.</p> <p>There is parking available out the front of the gym and additional parking on the bend of Roberts Road. Another option is to park in Knighton Avenue, which runs parallel to Roberts Road, and walk down the laneway opposite the Karate school. Please do not park in or block driveways.</p> <p>Please be mindful of the neighboring businesses when driving and parking in the vicinity of the gym.</p>
<b>Arrive on time (or early!)</b>	<p>Please ensure you arrive in plenty of time so your child can get changed, use the toilet etc.</p> <p><b><u>Anyone arriving five minutes or more late for a 55-minute class will not be allowed to participate.</u></b></p> <p>For safety reasons, all classes include a warm-up component. Warm up is a critical part of a gymnastics program and is essential to ensure all athletes are physically and mentally prepared for their gymnastic activities.</p>
<b>Start and end of class</b>	<p>Parents/guardians must actively supervise their children before and after classes.</p> <p>When class is due to start, a coach will come out to the gate and invite the children into the gym.</p> <p>At the end of class coaches dismiss the children into the waiting area.</p>
<b>Drinks</b>	<p>Please bring a water bottle to every class. Drink bottles should have the child's name clearly marked. No glass or ceramic bottles. Children take the bottles into the gym and are shown where to place them. Please ask at reception if you are unsure of where you can refill water bottles. If you forget your water bottle a bottle of water can be purchased from reception or the vending machine – just ask a staff member for a texta to write a name on it.</p>
<b>Toilets</b>	<p>Please encourage your child to go to the toilet prior to the commencement of class. Children should bring thongs/crocs/slippers with them to put on if they need to use the toilet during class.</p>
<b>Additional needs</b>	<p>We would like to find out as much as possible about your child before the first class so we can ensure our instructors are prepared. We ask that you give as much information as possible about any additional needs your child may have. If your child has learning or development delays (physical or intellectual), hearing or visual impairments, sensory conditions, concentration issues or is on the Autism Spectrum please let us know before your child's first class and complete a Gymnast Profile form. This online form helps us help your child get the most out of our classes. Our Gymnast Profile form is available on our website: <a href="https://www.ekga.com.au/forms">https://www.ekga.com.au/forms</a>.</p>
<b>Medical conditions</b>	<p>We want to ensure that all children with medical conditions can safely participate in our classes. If your child has any medical conditions such as Asthma, Diabetes, Anaphylaxis, or Epilepsy, please provide us with a copy of their medical management plan before their first class.</p> <p>It's crucial that we have all the necessary information to support your child's health and safety. Please reach out to the office before the first class to ensure we have everything we need.</p> <p>For children with Asthma or Anaphylaxis, please remember to send their medication with them to every class. When you arrive, please hand it to the coach at the gym gate, who will safely store it in our medication tub during the lesson. Don't forget to collect it at the end of class, and make sure it's clearly labeled with your child's name.</p> <p>If your child uses Ventolin, please ensure they bring their own SPACER along with their medication for hygiene reasons.</p> <p>If a child known to have asthma or anaphylaxis is dropped off for class without their medication, we may need to contact you to collect them for their safety, as they may not be able to participate without it.</p>

If you decide to cancel within the first 30 days of attending your first class, we'll refund 100% of the unused portion of your tuition fee—no questions asked!</p> <p>Should you ever need to cancel your membership at any time during the year, just request cancellation via our Parent Portal. For those paying by Direct Debit, cancelling your enrolment is easy. Just give us 14 days' notice, and you can continue attending during that time. However, for families paying by the quarter, refunds or credits for dropping a class (except for medical reasons) are not available after the 30-day period.</p> <p>If you need to cancel your booking due to medical reasons, simply send us a written request via email, attaching a copy of the relevant medical certificate. In these cases, we'll process a refund from the date of the request.</p> <p>We're here to support you every step of the way</p>
